

Calling all youth ages 6-18

Youth Rally for a Cure

March 19-21, 2000 • Washington, D.C.
Come to D.C. and make diabetes history!

Once again we're letting Congress and the media know that we want a cure for diabetes!
Join youth from across the country as we make our voices heard!

- Become involved in the fight to find a cure for diabetes
 - Tell your story to elected officials and the media
- Meet with others affected by diabetes from across the country

For more information or registration materials call **1-800-DIABETES**

*The Youth Rally for a Cure is being held in conjunction with the Rally for a Cure.
Please call **1-800-DIABETES** for more information about either program.
